ACF Ratings

***** ★ **Bernard Anton Shield: Perth v Metro** ★ *****

Former player Bernard Anton was for many years a member of Perth Chess Club and then Metro Chess Club. A wooden chess board has been engraved with 'Bernard Anton Shield' and 'Perth - Metro Challenge'.

The 2009 Perth - Metro Challenge consisted of one series of games played at the Metro club followed by a second series the following week at the Perth club - a total of 54 games.

9 players represented each club on the two nights: there were 3 players from Metro club and 3 players from Perth club in each of the 3 rating divisions. All players had 3 games per night against opposing club players in the same rating division (30mins each player per game). On the second night colours were reversed, so those that played on both nights had white 3 games and black 3 games against players of similar ratings.

The first half of this match was held on 13th May at Perth club, the second half was played on 13th August at Metro club.

Despite having plenty of members, Metro struggled to organise strong enough teams to visit Perth. In each division Perth were victorious over Metro by the same score (6.5 - 2.5), so Perth had a massive 19.5 - 7.5 lead.

For their home match Metro brought into their 'A' team the highly rated Tristan Boyd and Stephanus Kurniwan to join with Gordon Dunlop. Metro's hopes of recovery were dashed in their first home round as Perth's 'B' and 'C' teams were triumphant and their 'A' team gained a draw. Although Metro's 'A' team won 6 - 3 at home, their 'B' and 'C' teams were again beaten. The score at the Metro club was very close indeed: Perth 14, Metro 13, however, the overall score was Perth 33.5, Metro 20.5.
